Terms and Conditions:

All prices are inclusive of service and assumes that it is a catered event and payment will be made for the number of participants at the end of the event (or within 30 days by credit card or check). A final count of attendees must be provided 3 days/72 hours in advance.

will prepare an overage of 15-20% extra to accommodate additional shows or big eaters. All payments, unless pre-planned, will be handled by the organizer and there will be no cash direct sales handled by Plan B on the day of the event. The organizer may charge patrons a ticket price that exceeds the catering price that is reasonable, particularly if used as a fundraiser. If the number of participants served exceeds the RSVP count, this number

will serve as the basis for the final per person fee. For example, if 60 adults and 40 kids RSVP'd, but on the day of the event, the number of tickets dispensed was 71 adults and 39 kids, then the higher *total* amount would be charged to the organizer.

Weather-related or similar cancellations must be notified within 72 hours; otherwise, 50% of the cost will be incurred. This charge is due to the cost of food and disposing of items purchased specifically for the event and disposable items.
